

REHEATING INSTRUCTIONS

PIZZA

OVEN: Preheat oven to 400°F. Place pizza directly onto rack. Bake 12–14 minutes (Ovens may vary.)

GOURMET TAKE AWAY

OVEN: Cover loosely with foil. Heat at 350°F on middle rack for 10 to 20 minutes or until hot. **Oven reheating works best for meats.**

MICROWAVE: Cover loosely with lid. Heat for 1 to 2 minutes or until hot.

SOUP

STOVETOP: Heat on medium until an internal temperature of 165°F is reached.

MICROWAVE: 2 minutes until an internal temperature of 165°F is reached. Refrigerate unused portion in separate container.

All items should be reheated to 165° F
