Wedding Cakes

DLM specializes in delicious traditional-flavored wedding cakes. We take great pride in our cakes, and use only the freshest and finest ingredients available, in order to ensure the best quality. Traditional cakes include our light and moist white, chocolate, yellow, and marble cakes, all topped with buttercream icing. Prices start at \$2.00 per serving.

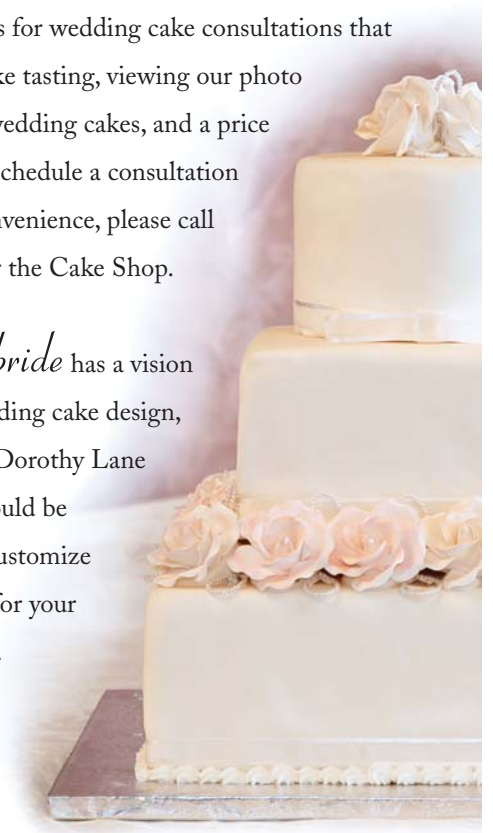

Your cake should be a personal expression of your special day. Your wedding cake can be as

simple or as extravagant as you wish. Designs can be from the contemporary to theme-inspired.

We are happy to provide gourmet-flavored cake and delicious fillings at the bride's request.

Our Cake Shop, located at our Washington Square location, is available to take appointments for wedding cake consultations that include cake tasting, viewing our photo album of wedding cakes, and a price quote. To schedule a consultation at your convenience, please call and ask for the Cake Shop.

Every bride has a vision of her wedding cake design, and we at Dorothy Lane Market would be happy to customize your cake for your special day.
