

Dorothy Lane Market proudly presents its **2020 Good Neighbor Program**

Information for prospective nonprofit organizations

Dorothy Lane Market plans to donate a total of \$40,000 this year to charity under our Good Neighbor Program. The program runs from January 1, 2020 through December 31, 2020.

Organization Enrollment Procedure

Fill out the form below to enroll your nonprofit organization in the program. Attach a copy of your 501(c)(3) certificate and return to any DLM location.

Member Enrollment Procedure

Each year, our customers are given the option of choosing a new nonprofit organization to designate a percentage of their purchases in a given calendar year. Customers need only to sign up once, and they must use their Club DLM card and spend at least \$1,000 during the year for their purchases to be included. Any member of your nonprofit organization may also sign up during any part of 2020, and the totals will accumulate from the first of January.

Rebate Policy

Dorothy Lane Market plans to donate a total of \$40,000 this year to charity. Your charity will receive a pro-rated percentage of this amount, depending on the purchases made in your charity's name. The higher the spending by your members, the greater the percentage of the total \$40,000 your charity will receive.

Due to our concern for customer privacy, DLM will not provide the organization with the names of customers enrolled, but we will disclose the number of members enrolled and total purchases made. Rebate checks will be mailed at the program's completion in January 2021.

Organizations are permitted to design their own sign-up sheet if desired. The required information on a sign-up sheet is: customer name, Club DLM number, phone number, nonprofit organization name, and Good Neighbor number, and a place for customer's signature.

Dorothy Lane Market reserves the right to modify this program at any time for any reason.

Good Neighbor Nonprofit Organization Enrollment Form

Please print and drop off this form at any DLM Guest Services desk.

1. Organization Name as it is to appear on the sign-up sheet _____

2. Contact Person _____
